

## Safety Data Sheet

Levprot Bioscience S.L.U., a company duly incorporated under the laws of Spain, located in Pol. Ind. La Charluca, calle C, Parcela M 10-11, 50300, Calatayud, Zaragoza (SPAIN) hereby certifies:

In accordance with Regulation (EC) No 1907/2006 (REACH)<sup>1</sup>, these enzymes (References: MT50U-L3MVRTHC) of Levprot Bioscience do not require Material Safety Data Sheets on account of their classification as non-hazardous to health and the environment because it does not contain substances and/or mixtures which meet the hazard classification criteria available in Regulation (EC) No 1272/2008 (CLP)<sup>2</sup>, or which are in concentrations higher than the value established in the mentioned regulation for their declaration.

These references (MT50U-L3MVRTHC) are kits containing the lyophilized enzymes (L3MVRTHC) and buffers (100MGCL2, BMVRTHC, RB-L3MVRTHC).

- **Precautions for safe handling:** Good Laboratory Practices. Wear Protective clothing, use disposable gloves, goggles, and mask. Do not eat, drink, or smoke or apply cosmetic products in the working area. Once you finish the test wash your hands. Avoid contact and contamination.
- **Conditions for safe storage including any incompatibilities:** These kits and lyophilized enzymes can be shipped, and long term stored at room temperature until expiration date stated in the label. Reconstituted enzymes must be stored at -20°C. Avoid multiple/freeze thaw cycles by storing multiple aliquots at -20°C. Please, always follow the instructions for the lyophilized enzymes and the temperature indications contained in the product label.
- **Specific end use(s):** These lyophilized enzymes are provided in kits containing buffers to reconstitute.
- **Ecological information:** The product should be discarded in a proper biohazard container after testing. These containers should be discarded in accordance with local or national laws or regulations. The product contains no components considered to be either persistent, bioaccumulative and toxic (PBT), or very persistent and very bioaccumulative (vPvB). This product doesn't contain components with environmental endocrine disrupting properties.

The European Union criteria harmonized in CLP adapt and consider the Globally Harmonized System of classification and Labelling of Chemicals (GHS)<sup>3</sup>.

### **Emergency telephone number:**

European Union Emergency number: 112 (EU) (available 24 hours).

Number of the manufacturer (Levprot Bioscience S.L.U.): +34 976 198 404 (available 8-16h).

Calatayud, Spain, October 31<sup>st</sup> 2023

1. Regulation (EC) No 1907/2006 of the European Parliament and of the Council of 18 December 2006 concerning the Registration, Evaluation, authorization, and Restriction of Chemicals (REACH), establishing a European Chemicals Agency, amending Directive 1999/45/EC and repealing Council Regulation (EEC) No 793/93 and Commission Regulation (EC) No 1488/94 as well as Council Directive 76/769/EEC and Commission Directives 91/155/EEC, 93/67/EEC, 93/105/EC and 2000/21/EC.

2. Regulation (EC) No 1272/2008 of the European Parliament and of the Council of 16 December 2008 on classification, labelling and packaging of substances and mixtures amending and repealing Directives 67/548/EEC and 1999/45/EC, and amending Regulation (EC) No 1907/2006.
